1. How to prepare for Board ?

For physics one should read haderp. For chemistry, N.C.E.R.T books are more than enough and for maths also N.C.E.R.T is enough.

2. How to prepare for JEE Main ?

For mains, first of all board level must be clear. Don't go for many questions.

3. How to prepare for JEE Advance ?

Study hard for jee advance, every question given does must be solved and should be used to update the theory one has studied.

4. Which is a better option ? A school synchronised coaching program or school separately along with coaching classes ? why ?

Dropping is much better option than studying simultaneously, both boards and jee.

5. How to manage our time table ?

All topic that are needed to memorize must be studied in early morning, never miss any class. Complete the homework given. T.V. is biggest enemy.

6. What are the aspects of Bansal Classes that helped you the most ?

Faculty of Bansal Classes is very good, very motivating. Use the library. The sheets and DPPs are very good for practice.

7. How to clarify our doubts ?

Mark all your doubts and clarify them whenever you get time because if they start piling up, it keep getting worse.

8. How to keep ourselves motivated ?

Don't keep looking at the questions you are not able to do. Look questions you have done. Talk to your teachers whenever you feel demotivated.

9. Is it important to give Weekly Tests and Review Tests ? How do they help ?

Yes it is important to give tests. They are very helpful.
